  - FLAT PANELS

A detailed architectural line drawing of a three-story townhouse. The house features a steep gabled roof with decorative bargeboards. The exterior is clad in horizontal siding. The front facade includes a central entrance with a small porch and a set of stairs, flanked by large windows. A small square window is positioned above the main entrance. To the right, a side entrance is visible. The drawing shows the house as part of a row, with the adjacent townhouse visible on the right. The foreground includes a sidewalk and a street.
